

## Preserving History and Honouring Our Family

Dear Family Members:

The Bonne Bay Historical Archive (BBHA) is carrying out remarkable work to ensure the history of our communities on the South Side of Bonne Bay, and families like ours, are celebrated and remembered.

We each share a connection to Bonne Bay and the stories that shaped us. These stories aren't just ours; they are part of the community and of those who came before us. Each of us carries a piece of this legacy. It's in the traditions we pass on, the recipes that remind us of home, and the stories we tell our children. But as time moves on, these connections become more fragile and memories fade.

That's why I'm reaching out to you now. Together, we have the chance to honour the lives and memories of those who have shaped our family. By coming together to support the Bonne Bay Historical Archive, we can ensure that our family's story - not just the dates and names, but the heart and soul of who we are - is preserved for generations to come.

This isn't just about donating to a cause; it's about protecting our shared heritage and making sure that our family's place in this community is remembered and celebrated. I'd like to invite each of you to join me in this effort. Here's how we can make it happen:

### Memorial Wall

Family donations of \$200 or more, whether made individually or collectively, provide the opportunity to honour a deceased loved one on our online Memorial Wall. To include your loved one's name, please email us at [info@bonnebayhistory.ca](mailto:info@bonnebayhistory.ca).

Let's make this project something special, together. Every contribution, no matter the size, is a piece of our family's legacy. Let's ensure that those who came before us, and the stories they left behind, are never forgotten.
